## Payment Policy, Terms and Conditions Agreement

Upon delivery, client agrees to pay Patient Education Concepts, Inc (PEC) the total amount due according to the payment method on this order form. Client agrees that the Sight Selector™ Practice Edition may only be used in one location but can be installed on multiple computers within that location. The initial agreement is for one year, and shall automatically renew for successive one year terms unless either party gives the other notice of termination at least thirty (30) days prior to the expiration of the then current term. PEC is authorized to charge the renewal fees to the credit card on file unless the agreement is terminated. In the event the client would like to change their video selection during the 12-month license period, upon delivery of the new software installation files, PEC is authorized to charge a \$150 video change-fee to the credit card on file. In the event of termination due to lack of payment or failure to renew, Client agrees to remove all Sight Selector™ content from its computer(s). Failure to remove content shall constitute a breach of this agreement and a violation of PEC's and Eyeland Design Network's (Eyeland) copyrights of the Sight Selector™ Practice Edition's 3D images and video content.

Client acknowledges that the 3D images and video content contained within the Sight Selector™ Practice Edition is copyright protected. Client is licensed to use this content solely within the Sight Selector™ Practice Edition software. Any use outside of the Sight Selector™ Practice Edition software without the express written consent of PEC/Eyeland is a violation of the Copyright Act of 1976, revised, 17 U.S. C.Â§ 101 et. Seq. PEC/Eyeland will pursue any practice that uses these materials outside of the terms and conditions of this agreement or copies and/or creates a derivative work from this content. Should such a violation occur, PEC/Eyeland (together and separately) reserve all rights to seek all remedies to which they are entitled by law.

Neither party to this Agreement will incur any liability to the other party on account of any loss or damage resulting from any delay or failure to perform all or any part of this agreement if such delay or failure is caused, in whole or in part, by events, occurrences, or causes beyond the control and without the negligence of the parties, including, without limitation, acts of God, loss of electrical or telecommunications power or access, fire or flood.

PEC/Eyeland make no warranties or representations of any kind, expressed or implied, as to the accuracy, reliability, currency, effectiveness, or completeness of any videos offered by PEC/Eyeland, the content of such videos, or the results that may be obtained through the use of such videos. No advice or information provided by PEC/Eyeland or in any of the PEC/Eyeland videos shall create a warranty; nor shall the user rely on any such advice or information. All PEC/Eyeland videos should be thoroughly reviewed by medical professionals or counsel to determine accuracy, reliability, currency, effectiveness, and completeness. While PEC/Eyeland generally attempts to update its videos when alerted to changes in law or other circumstances affecting content, PEC/Eyeland guarantees neither that its videos will be updated nor that it will notify Client when an updated version of a product is created or made available.

To the full extent permitted by law, PEC/Eyeland disclaim all warranties, expressed or implied, including, but not limited to, warranties of merchantability, fitness for a particular purpose, and non-infringement. Neither PEC/Eyeland nor any party involved in creating, producing, or distributing Sight Selector™ programs will be liable for any damages or lost profits, whether foreseeable or unforeseeable, arising from the use of or inability to use the Sight Selector™ Practice Edition, including, without limitation, any reliance by any user on any information provided by PEC/Eyeland or any PEC/Eyeland videos; any mistakes, errors, omission, or defects contained in any PEC/Eyeland video.
